This is the cutting edge hang for the real world bassist, by bassists. A site not for the weak or the timid, but the players with the passion for content on what matters most from the heart as a bassist, the music, the tone, the wood, the strings, the gear, the groove, the sweat, the stories. The driving force will be your input and your ideas because this site is about you. The commitment from this site's end will be a forum focused primarily on the music, then the gear, along with cool features for self-promotion and networking . BABP's requests to stay on topic, all things bass, and refrain from any cross thread posting amongst other sites. The "Harley's Hang" forum is the place for off topic discussion. Rated R is acceptable throughout all forums, but use your discretion, as ridiculous posts and or pics may be deleted without notice. Political , racial, religious, or discriminating posts of any kind, will be deleted by decision of the Bouncers and or Admins. For repeat offenders, a ban will also occur without notice. I had the fortunate opportunity to bring on great players and brothers of bass as moderators. We have alot of cool ideas in the works, so like the Druids, we will build this. Many thanks to my wife Karen, Garry Nutt, Kirk Hayes, Stephen King, Marque Kelsey, Pete Fuller, Butch Ammons, Trane Francks, and all of the rest of you who inspired this site to happen, you know who you are! Thanks for believing. Let's do this! Peace brothers and sisters…PD
